of the daily returns to the office of the Sanitary Commissioner

3 From the Sanitary Commissioner No. C. 921 dt. 19/23rd April 24. Submits a revised form for the preparation & submission of the daily returns of epidemics by the Presidents of Municipal councils of Bangalore & Mysore & the D.K.G. & Sanitary Bd

4 Subd. The sample forms & none of the returns stated to have been sent have been received. A draft calling for them is subd for approval

5 Sd. does not appear to be necy to call for the forms. Please put up latest reports received

HMK
26/4/25

6 Subd with the latest returns received. The forms used by each of the 3 bodies are different from each other. The Bangalore city municipality sends an abstract statement showing the causes of death from age, sex &c besides daily returns detail regarding attacks & deaths from plague & the current official year & from commencement

etc of persons dead

NOTE—Contn. sheet.

(2)

Serial No.

(2) a return of burials and
(3) a report of small pox when any case occurs

7) The Mayor city municipality sends a statement showing (a) no. of attacks & deaths from Plague (b) total attacks & deaths from other diseases. The Kg. & Health Offices simply report in parallel columns, Daily attacks & deaths from two different infectious diseases and the total attacks & deaths therefrom in the current financial year

8) The form proposed by the Sanitary Commissioner contains all the essential details in respect of all the infectious diseases contained in the return without giving any unnecessary details with regard to any one e.g. plague the only detail now being received and not being provided for in the Sanitary Commissioner's form is the statement of burials, which gives some interesting information

9) It is a point for consideration as to whether the Presidents of the city municipal councils & of the Kg.?

DEPARTMENT OF PUBLIS HEALTH IN MYSORE

No. C494
Enc. one

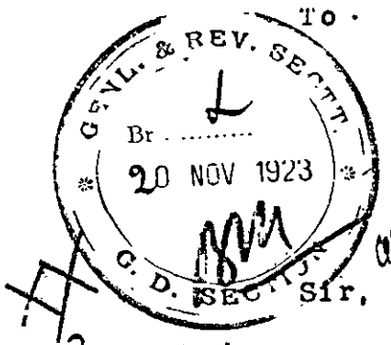
Office of the Sanitary Commissioner
with the Government of Mysore,

16193 Bangalore, dated 16th November 1923.
1914

From

B. MAHOMED USMON, ESQ., L.M.& S.,
Offg. Sanitary Commissioner in Mysore,
BANGALORE.

Sany 31-22-1.



To.

B. NAGAPPA, ESQ., Bar-at-law,
Secretary to the Government of Mysore,
Local & Legislative Departments, BANGALORE.

Sir,

I have the honor to bring to the notice of Government that no uniformity of procedure is observed by the Presidents of District Boards in the preparation and despatch of daily returns of epidemics. Often, reports for several days are consolidated and despatched without the required information. Separate forms for each of the epidemic diseases such as plague cholera, small-pox, relapsing fever &c. are used which entails waste of stationery - In some districts, the form prescribed for taluks is used for the district returns. In order to obviate these and similar irregularities, it appears to me desirable to prescribe a revised, consolidated form for all epidemics, which would show at a glance the exact epidemic situation in a district on any particular date besides facilitating the collection, consolidation and submission of daily and weekly reports to Government and to the Residency. I accordingly submit the accompanying revised draft form for the approval of Government and request that you will be so good as to move Government to accord their sanction to the adoption of the revised form in future for reporting epidemics daily to this office. A "nil" return should be sent when there are no epidemics to report. Strict instructions may also be kindly issued for the punctual des-

despatch of daily returns to this office by the Presidents of District Boards as laxity in this respect has been frequently noticed of late.

The Superintendent Government Printing may kindly be authorised to print and supply the required forms direct on indents received from the Presidents of District Boards.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. SANITARY COMMISSIONER.
